Gordon, closing on the sale of assets by the Diomed debtors to AngioDynamics did close today. In accordance with the order authorizing sale and corresponding order authorizing rejection of the Endolaser license agreement, it is acknowledged that rejection of the Endolaser license is effective today, June 18, 2008, immediately prior to the closing. Regards. MEF

Subject: Diomed - Rejection of Endolaser's License Agreement and Closing of the sale of certain of Diomed's assets to AngioDynamics

Mark,

As you are aware, I am counsel to Endolaser Associates, L.L.C. ("Endolaser"), party to that certain License Agreement ("License Agreement") with Diomed, Inc. ("Diomed") dated July 11, 2003.

It has come to my attention that Diomed's sale of certain of its assets to AngioDynamics, Inc., approved by the order by the Bankruptcy Court dated June 3, 2008 (see Docket No. 298), has closed effective today, June 18, 2008. To this end, I understand that Diomed (or your firm as Diomed's counsel) received a wire from AngioDynamics for the purchase price this morning.

As you are certainly aware, Endolaser's License Agreement was automatically deemed rejected by Diomed immediately prior to the closing of the Angio sale. See Docket No. 300. Therefore, Endolaser's License Agreement is automatically deemed rejected for all purposes effective as of June 18, 2008.

Please let me know no later than 4 pm (ET) today if Diomed disagrees with the effectiveness or timing of the rejection of the License Agreement.

Gordon
